

EDITION 53 - HUMAN RIGHTS & PUBLIC HEALTH

CALL FOR ARTICLES
Deadline: May 13, 2022

HPHR Journal (formerly *Harvard Public Health Review*) has released new calls for submissions, each dedicated to a specific theme in the field of human rights and public health.

We are especially interested in research, evidence-based editorials, videos, and/or written reflections leveraging innovative theoretical perspectives and methodologies, as follows:

- Global LGBTQ public health issues
- Environmental health and climate change in low-income countries: laws and policies
- End of life care
- Physician assisted suicide or assisted euthanasia
- Female genital mutilation (FGM)
- Workers rights
- Sweatshops in countries and the impact of health
- Disability advocacy in public health
- Human rights during warfare
- Women rights violations and public health
