

EDITION 51 - MEN'S HEALTH

CALL FOR ARTICLES
Deadline: May 13, 2022

HPHR Journal (formerly *Harvard Public Health Review*) has released new calls for submissions, each dedicated to a specific theme in the field of men's health.

We are especially interested in research, evidence-based editorials, videos, and/or written reflections leveraging innovative theoretical perspectives and methodologies.

- Masculinity perceptions
- Programs focused on awareness of sexual assault/IPV towards men
- Men's health behaviors: seeking medical attention
- Interventions focused on men specific sexual assault education
- Bisexuality in Men
- Genetic screening for Breast Cancer
- Cancer prevention behaviors in men
- Erectile dysfunction syndrome or sexual dysfunctions
