

EDITION 52 - THE HEALTH OF WOMEN AND GIRLS

CALL FOR ARTICLES
Deadline: May 13, 2022

HPHR Journal (formerly *Harvard Public Health Review*) announces a call for submissions for the upcoming thematic edition addressing the health of women and girls.

We welcome submissions regarding all aspects of women and girls' health, including, but not limited to the following topics:

- Sexual, reproductive, and maternal health
- Gender equity in healthcare access
- Social and environmental determinants of women and girls' health
- Addressing domestic violence, sexual violence, gender-based violence (GBV), human trafficking
- Ending female genital mutilation / female genital cutting (FGM / FGC)
- Intersectionality of gender, sexuality, race / ethnicity, socioeconomic status
- Lesbian health: sex and sexuality
- Special populations including pregnant people, adolescent girls, older women, incarcerated / detained people, migrants and asylum-seekers
- Research translation for effective policies and programs on the health of women and girls
- Programs and policies to enable women and girls to make informed health decisions in response to systemic barriers
